Re: FCC Form 471 – 191022357 Waiver Request

Billing Entity 120650

FCC Registration Number 0018671636

Dear Sirs,

This is my first year as the Director of Technology and I have been overwhelmed by my new responsibilities and the level of detail required for many of my responsibilities. My predecessor, Karen McGonigle has been working very successfully with USAC for more than 10 years and has been an amazing coach, but I clearly did not follow her lead and somehow missed Certifying our 471 for Networking Equipment. I am new to the site and although I was checking weekly on the status of our applications, I missed that this one had not been certified. I hereby request that you forgive my lapse in experience and follow through to grant us the funding requested. I have certified today and understand that this is beyond the deadline. Nantucket Public Schools has benefitted tremendously from this funding and we are hoping to continue to upgrade and expand our networking equipment.

Thank you for your consideration.

Very sincerely,

Jennifer Erichsen
Director of Technology
